ІНОЗЕМНА МОВА ЯК ЕФЕКТИВНИЙ ЗАСІБ НАЦІОНАЛЬНО-ПАТРІОТИЧНОГО ВИХОВАННЯ

*«Стояти ногами і серцем в Україні,
свої голови держати в Європі»
Михайло Драгоманов*

Ці слова видатного громадського і культурного діяча ХІХ століття як ніколи актуальні для сьогодення. Враховуючи суспільно-політичні реалії в Україні після Революції гідності, обставини, по'язані з російською агресією, усе більшої актуальності набуває виховання в молодого покоління почуття патріотизму, відданості загальнодержавній справі зміцнення країни, активної громадянської позиції.

Серед безлічі навчальних дисциплін іноземна мова посідає особливе місце в формуванні патріотизму студентів. Її своєрідність полягає в тому, що в ході вивчення студенти здобувають не лише знання з основ науки, а вміння й навички користуватися чужою мовою як засобом спілкування, одержання нової корисної інформації. Цьому сприяє комунікативна складова предмету, його спрямованість до вивчення побуту, звичаїв, традицій і, насамперед, мови іншого народу.

Так, наприклад, тема «Моя родина» дає багатий лексико-граматичний, мовний і комунікативний матеріали, які студенти повинні вжити в оповіданні. Складаючи розповідь про сім'ю і родичів, родинні
